

13th Annual Golden Gallop 2018

SUNDAY, SEPTEMBER 23rd

SPONSORSHIP OPPORTUNITIES

THANK YOU for your interest in sponsoring the 13th Annual Golden Gallop. 2018 marks the 13th year of this incredible community event, and we are anticipating another great turnout. With proceeds benefitting all of the Golden Schools Foundation (GSF) key programs, Race Sponsorship directly impacts the growth of our school funding through programs like **Enrichment Grants, Student Academic Summer Boot Camps, Credit Recovery and our College Scholarship Program.**

Since 2012, **Enrichment Grants** have been made available to our neighborhood schools to support innovative teaching and learning programs. The **Student Academic Summer Boot Camps** are FREE supplemental education programs for our Golden students that provide academic exposure and reinforcement, and encourage a successful academic experience from start to finish. Boot Camps include the 7th Grade Summer Science Boot Camp at Bell MS, and the GHS AP Prep Boot Camp.

GSF programs support all seven of our neighborhood schools: Golden High School, Bell Middle School and Kyffin, Mitchell, Ralston, Shelton, and Welchester Elementary Schools. Thanks in large part to our 2017 sponsors, GSF gave back nearly \$40,000 to our neighborhood schools through our Enrichment Grant Program, Teaching Excellence Program, Teacher Recognition Awards, the Student Academic Summer Boot Camps, Credit Recovery and the College Scholarship Program.

This year provides another opportunity to help our local students and reach a large community audience. As always, we offer sponsorship packages designed for any budget.

Join us in 2018 to make this event a success!

WHY THE GOLDEN GALLOP?

On Sunday, September 23rd, Golden's biggest annual community race will take place for the 13th year running. With over 1,100 runners expected, any business with customers will benefit from a Golden Gallop Sponsorship.

The Golden Gallop runners are athletes that race for many reasons, but they all have families, homes, cars and a need for healthy choices. Gallop Sponsorship will get you full exposure to a consumer base that is affluent and motivated to respond to companies that support their community and their students.

Runners:	52% Female/ 48% Male
Affluent:	72.4% have +\$75,000 HHI
Educated:	78.6% are college graduates
Age:	19% are 6-24
	30% are 25-34
	27% are 35-44
	16% are 45-54
	8% are 55 & Over

Gallop runners like to run. Our community race brings in runners and families from Golden, Boulder, Denver, Colorado Springs and the surrounding metro area. From advertising for increased awareness to coupons for increased traffic to sampling with consumers on-site, Gallop Sponsorship will work for you.

And the best part is knowing that the proceeds from the Golden Gallop will go toward funding GSF's programs to help improve our community schools. Programs include:

Enrichment Grant Program: We funded approximately \$2,000 to each of our eight schools in 2017.

Teaching Excellence Program: \$1,000 for Release Time for teachers at each of our schools. Release Time allows teachers to take time off to participate in professional development and/or job training.

Teacher Recognition Awards: Each year we award two teachers from the Golden Articulation Area with a crystal apple award and \$1,000 each to spend in their classroom.

College Scholarship Program: We believe our Golden students are a critical part of the community and will award four \$1,500 scholarships to continue the academic success of eligible GHS graduates.

Student Academic Summer Boot Camps: We have invested nearly \$8,000 in our Summer Boot Camps and continue to grow and improve both camps.

Credit Recovery Program: We believe in supporting our Golden students through to graduation, even if they get off track. The Credit Recovery program gives those students a chance to graduate.

We can work together to promote improvements in student achievement and teaching excellence.
